## Independent Practitioners' Review Engagement Report Schedule of Remuneration and Expenses

### To the Members of Stoney First Nation

We have reviewed the accompanying schedule of remuneration and expenses for Chief and Council of Stoney First Nation for the year ended March 31, 2019. The schedule has been prepared by management based on the financial reporting provisions in the First Nations Financial Transparency Act.

#### *Management's Responsibility for the schedule*

Management of Stoney First Nation is responsible for the preparation of the schedule in accordance with the First Nations Financial Transparency Act, and for such internal control as management determines is necessary to enable the preparation of the schedule that is free from material misstatement, whether due to fraud or error.

#### *Practitioners' Responsibility*

Our responsibility is to express a conclusion on the accompanying schedule based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioners perform procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluate the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on this schedule.

#### *Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the schedule of remuneration and expenses for Chief and Council is not prepared in all material respects, in accordance with the First Nations Financial Transparency Act.
